**DEDICATED TO PROMOTING
INTERACTIVE EDUCATIONAL
OPPORTUNITIES FOR QC YOUTH,
FAMILIES AND COMMUNITIES**

Dear Friends,

THANK YOU FOR SUPPORTING OUR 23RD ANNUAL "SWING INTO EDUCATION" SCHOLARSHIP GOLF TOURNAMENT! We are happy to be back on the golf course, raising \$\$ so that we can provide college scholarships for QC high school graduates. We are working hard to support students and families with a variety of programs that promote education for all while also supporting a safe and welcoming community. This work is possible, thanks to your continued support of our annual golf tournament.

Thanks for sharing your time and resources with us so that we can carry on our mission. We wish all of you a healthy, fulfilling and safe 2023 and look forward to seeing you next year— same time and same place.

Best Regards,

Ruben Moore, Jr. , QC United President
And the Pete the Purple Bull Team

The Davenport Community School District is Growing Excellence

The Davenport Community School District's goal is to enhance each student's abilities by providing a quality education enriched by our diverse community. With nearly 30 school buildings serving Blue Grass, Buffalo, Davenport and Walcott. Davenport Community Schools are resource-rich, blending student and family support programs with a wide array of curricular offerings to create a quality learning environment for all students. As the third largest School District in the State of Iowa, the Davenport Community School District employs more than 2000 education professionals to teach nearly 14,000 students in our community.

CELEBRATING

Fifty-Five Years

OF MAKING AMERICA A BETTER PLACE TO LIVE!

Changing People's Lives

We believe housing is the anchor of all opportunities. For fifty-five years Project NOW's programs have supported the continuum of care from homelessness to permanent housing.

Embodying the Spirit of Hope

Our Head Start programs support school readiness to children from low-income families while also supporting the entire family's health and well-being. Family members are engaged in positive relationships with the support of Project NOW.

Improving Communities

Project NOW makes the world a better place by helping people move up and out poverty. Our myriad services pay for basic needs, like utilities and rent, so they can help themselves and one another.

AMERICAN WATER

WE KEEP LIFE FLOWING®

HANDY TIPS TO **CONSERVE & SAVE MONEY** THIS SUMMER

WHEN WATERING

ONLY WATER WHEN NEEDED. Depending on the weather or type of plants/turf, you may find you only need to water once or twice per week.

WATER EARLY IN THE MORNING OR LATER IN THE DAY. Water when the sun is low to minimize evaporation.

WATCH WHAT YOU'RE WATERING. Check sprinkler heads to be sure they're not wasting water on paved or unwanted areas. Reduce run times for shaded areas.

KEEP AN EYE ON WEATHER. If rain is in the forecast, turn your sprinkler system off ahead of time.

MAKE USE OF RAINWATER. Water collected in rain barrels can be later used to water outdoor plants. Make sure rain barrels have proper coverings.

IN THE GARDEN

USE DROUGHT-RESISTANT SPECIES. Native plants will have the benefit of being adapted to local conditions. Also, they usually need less maintenance and watering.

MULCH. Mulching beds can help retain moisture and prevent weeds. Be careful not to over-mulch. Two to three inches should do the job.

SET YOUR MOWER HIGHER. Anything cut less than two inches high is much more vulnerable to burnout, weeds, insects, and disease. Best bet? Mowing at 2.5 to 3.5 inches, depending on the time of year.

AROUND THE YARD

CHECK FOR LEAKS AND BREAKS. Do a periodic walkthrough of your landscaped area to make sure system pipes are in good condition.

SWEEP, DON'T SPRAY. Use a broom instead of a hose to clean patios, decks, and sidewalks.

CAR WASH WISELY. Washing your car with a bucket of soapy water uses far less water than leaving a hose running.

from

CHAPTER #20046

Thanks QC United for supporting
Quad City students and their pursuit
of higher education.
