Dear Friend and Sponsor,

We are always grateful for the opportunity to offer another year of the Swing into Education charity golf tournament and we remain forever thankful for the support you have provided over the last twenty-three years. Funds raised from this tournament have provided over 120 local graduating seniors with college scholarships, the total value being over \$200,000.

This event is our primary fundraiser of the year. Not only does it support scholarships, but it also supports the ongoing efforts of the Pete the Purple Bull Program to reduce bullying and to promote positive learning experiences within schools and communities.

We invite you to join us again in our effort to support local students and communities. Attached, you will find the 2024 sponsorship options, along with the golf registration form. You have the option of completing the forms and returning them to us through the mail or you can elect to complete the forms online (www.qcunited.org).

We look forward to working with you again this year and want you to know how much we appreciate your ongoing support. Please feel free to contact us if you have any questions or comments.

Best Regards,

Ruben Moore (563-349-1760)
