More about Re-FL3X:

The Hip Hop Dance Team, **RE-FL3X**, was established by **Curtis Bell and Juan Valtierra** in 2012 while both attended United Township High School in East Moline, Illinois. Curtis Bell and Juan Valtierra have established themselves as the premier hip-hop dance duo of the Quad Cities. They are well-established dancers and choreographers who have trained and performed with professionals from across the country. Through coaching and mentorship, they have taught many young dancers how to hone their dance skills while also teaching them about self-respect and social responsibility. Their students have won numerous awards around the country and have performed sold-out shows in the Quad Cities.

RE-FL3X joined with QC United in January of 2015 and began teaching their classes out of the QC United dance studio in September 2015 located at “The Center” (1411 Brady St Davenport, Iowa 52803) in September. This partnership was formed because Juan and Curtis wanted to make a positive difference in the community through their gifts and the Pete the Purple Bull Program offered them this opportunity.

Curtis currently is living in Las Angeles, California where he is expanding his skills through a variety of dance and modeling opportunities. He continues to serve as a resource to RE-FL3X students and he returns to teach classes in the Quad Cities when his schedule allows. Meanwhile, Juan, along with some of his senior dancers, continue to teach and mentor young dancers through lessons and workshops offered through the QC United dance studio.

Many of the RE-FL3X dance students perform with Pete the Purple Bull at schools and community events. They assist Pete in teaching lessons of respect, responsibility and kindness in an effort to rid the World of Bullying.

---

**RE-FL3X offers beginning classes and advanced dance workshops through the QC United studio. For more information about dance classes, contact Juan at 309-749-5667. You can also follow RE-FL3X on Facebook where you can find videos of the workshops. Re-FL3X students will be invited to participate in two showcases per year and in multiple community performances.**
