Dear Faith & Youth Organizations,

This letter is for the purpose of offering your youth group participants a great opportunity to see the world and to experience education at a new and potentially life-changing level. QC United is preparing to launch their 3rd “*Dreams Come True*” trip for under-served youth. You may remember the 1st trip that occurred in April of 2008 when the creators of QC United took 24 under-served youth to Disney World in Orlando Florida, where they stayed on Disney property. This year, the program took 36 youth to Washington DC, where the White House Tour was included in the long list of historical sites the participants visited. In July of 2011, from the 11th thru the 13th, the Dreams Come True team, as well as participating youth and chaperones, will travel to Chicago, Illinois.

This three-day trip (and future Dreams Come True trips) will be in memory of Reece Morgan; a man many of you knew personally. Reece believed in the potential of our youth and spent his time, energy, and vast love, helping area young people to succeed educationally, and to overcome many obstacles and challenges. Growing up in Chicago, Reece understood and experienced many of those obstacles and challenges. Reece died unexpectedly in the Fall of 2009, and we hope that these trips in his honor will remind us all that his mission is far from complete. We can and should strive to make a positive difference in the lives of our youth.

Each group interested in participating in this educational opportunity would be expected to commit to sending four (4) youth and one (1) chaperone at a cost of **\$345** per person (a total of **\$1,725.00** per group), which includes all transportation, room & board and three t-shirts per individual. The actual cost per person for this trip is minimally \$695 or \$3475.00 per group. QC United will secure the funds to cover the remaining balance of \$350 per person or \$1750 per each group of four students and one chaperone.

In order to participate in the July 2011 Dreams Come True trip, participants must agree to the terms on the attached agreement form and submit this signed form, plus a \$200 down payment, **no later than January 31st, 2011**. Applicants who complete and submit the required paperwork and down payment, will be considered on a first come/first served basis, so waiting until the due date may not guarantee your group’s participation on this trip.

NOTE: There will be a full refund, minus **\$30 in Administrative Fees** for any group that doesn’t meet the deadline and/or requirements.

If you have questions regarding this opportunity, please direct your questions to Mr. Moore, Ms. Riley-Quinn or Ms. Stevenson. Information can also be obtained from www.qcunited.org.

We are excited to offer this “Dreams Come True” trip to your group and hope you find this to be a worthwhile endeavor.

Sincerely,

Ruben Moore, Jr.
