

Attention NORTH HIGH Wildcats...

RUBEN needs HELP!

Yes, he's still guarding North's hallways but did you know he's been giving scholarships away for 19 years?

106 scholarships worth over \$110,000 to be exact!

Ruben is the co-founder and president of QC United, a nonprofit organization that is home to Pete the Purple Bull. They provide college scholarships & bully-prevention programs to area schools and communities.

Ruben's not getting younger- he wants to know his Scholarship Program will keep going.

NORTH GRADS, CAN YOU STEP UP?

A donation of just \$20 a year means Ruben can relax, knowing his scholarship program is secure. Your name & graduation year will be included in the annual "Swing into Education" Golf Book and on their website. Get jazzy and come golf in the annual "Swing into Education" Golf Tournament (6/21/19). There are other sponsorship options too. To make a donation and/or to learn more about the golf tournament please visit:
